

INSPECT & PROTECT

MAINTENANCE EVENT

PLAN AHEAD WITH CONFIDENCE

Planning ahead this year means staying productive next year. And there's no better way to get your equipment ready than with a Case certified maintenance inspection.

Using high-tech service tools, the highest-quality OEM parts and a comprehensive inspection process, our highly trained service technicians will have your equipment operating at peak performance so you can continue to work without worry.

THE BENEFITS OF A CASE CERTIFIED MAINTENANCE INSPECTION INCLUDE:

- // **OPTIMUM PERFORMANCE**
Properly maintained components keep your machines running at their peak.
- // **IMPROVED EFFICIENCY**
Fresh fluids, clean filters, new hoses and reliable attachments save time, fuel and money.
- // **MORE UPTIME**
Scheduling your machine inspection now allows you to plan ahead – and keeps your machines working when you need them to.
- // **EXPERT SERVICE GUARANTEED**
Nobody knows your machines better than our service technicians. We stand behind the work we do and the genuine Case parts we use.

SCHEDULE YOUR INSPECTIONS WITH US AND RECEIVE:

6 EXTRA MONTHS OF PARTS WARRANTY PROTECTION*

*6-month extended warranty available on genuine Case replacement parts with an existing 6-month warranty, for a total of 12 months of parts warranty protection. 6-month extended warranty eligible only on parts installed by an authorized Case dealer. Offer ends March 31, 2011. Program subject to change or cancellation without notice. See your local Case dealer for complete details and qualifications.
