**MEDICO INDUSTRIES, INC. NOW VIBROTECH DEALER FOR BERKS, BUCKS,
LEHIGH & NORTHAMPTON COUNTIES**

- *WILKES-BARRE, PA, NOVEMBER 16, 2009*- Medico Industries, Inc. Construction Equipment Division announces it has been named as the official Vibroscreen dealer in the Berks, Bucks, Lehigh and Northampton counties. Medico is also the current Vibrotech dealer in 14 counties in Northeastern Pennsylvania.

Vibrotech's Vibroscreen mobile screening plants are designed for a wide variety of applications by quarry, gravel pit and sand pit operators, as well as landscaping companies, soil and compost producers, landfill site operators, and soil decontamination enterprises.

Bill Vinsko, Sales Manager for Medico Industries Inc., states "The Vibroscreen products are a good value for our customers, supplying high quality and competitive pricing. We are proud to represent Vibroscreen products to meet our customers' needs."

Medico Industries, Inc. is a construction equipment dealer headquartered in Wilkes-Barre PA., and has maintained a Pocono branch since 1987. Medico has been selling equipment for over 50 years and is known

throughout the construction industry for expert advice, reliable machines, fast service and truly flexible financing. Medico Industries, Inc. carries a wide selection of construction equipment, including wheel loaders, skid steers, forklifts, excavators, backhoes, crawler dozers, articulated dump trucks and much, much more. Serving 14 counties in Northeastern & Central Pennsylvania, our hard working Sales, Service, and Rental and Parts teams are dedicated to complete customer support.

VIBROTECH was founded in 1988 by a team of individuals with years of experience in engineering and fabricating vibratory equipment. Their personal expertise was significantly enhanced as a result of the quantity and variety of the mandates they accomplished for VIBROTECH. Today, VIBROTECH is renowned as a leading manufacturer of vibratory processing equipment. Their line of mobile screening plants also firmly demonstrates our commitment to continuous product improvement.
